PARISH ANNOUNCEMENTS**

IMPORTANT: This petition expresses major concerns from residents of the Stipley area regarding loitering, squatting, vandalism, prostitution, and drug use occurring at the rear of Saint Anthony of Padua Church at night. Calls to local police have not resulted in prompt action and the neighbourhood has become very vulnerable. We of the Stipley community urge the City of Hamilton to donate the city-owned alleyway between Leinster and Prospect to St. Anthony of Padua Church so that protective measures such as iron fencing can be implemented. The St. Anthony community has committed to paying for the fence. This action will benefit the entire community by fostering a safer environment for all. **This petition will be at the back of the Church for anyone to sign.**
